

# Regional Minister for Revitalization Ministry Plan

*Follow up to the Regional Minister for Revitalization Job Description*

**Church Health:** Directly work with no more than eight churches at one time to assist in the various areas of strategic ministry- such as NCD, Refocus, vacancy direction, crisis response; develop a consultation assessment to be used by churches to establish their areas of strategic ministry; raise and train at least four NCD coaches who would assist churches through the NCD process (one per classis);

**Our Call:** Develop measurement tools consistent with classis measurement tools in order to assist churches in their response to the "Our Call" ten year goal.

**Leader Health:** Pastor networks- lead one pastor network; raise, train and coach eight pastor network facilitators; help in the establishing of eight Lilly grant eligible pastor networks; LFH- help promote the LFH ministry in classis and local churches; help establish two new Leadership Centers who would "host" the LFH teaching

**Prayer:** Assist Churches and regions to host prayer events where each church can attend a prayer service for the accomplishment of the ten year goal; help challenge churches to become Houses of Prayer.

**Classis Health:** Meet with committees of classis to assist in the casting of the vision for revitalization ; work with classis committee to assist churches that are vacant; work with classis committees to assist in the implementation of the commissioned pastor ministry; work with committee to assist in the rapid response to churches who experience crisis

**Regional Ministry:** Meet regularly with the other SOH regional ministers for coordination and support; work to coordinate the revitalization effort within each classis by helping to facilitate an evaluation of each classis concerning the functional structures which support revitalization in their classis.

A team approach will be developed by working with Don DeKok in East Sioux, West Sioux and Dakotas classes who will continue the Church Multiplication efforts. The result of church revitalization means that a church is healthy enough to multiply leaders, ministries and churches. Working with Don will help us develop a seamless effort for revitalization and multiplication. A team approach will be developed with Shorty Brown in Central Plains classis where Shorty will work with our Native American Indian churches and develop three pastor networks.

**Denominational Ministry:** meet with the denominational revitalization team as scheduled; be available for the national training events for the training of NCD coaches; be available for the national training events for the training of pastor network coach/facilitators
